Respected Madam... Jai Telangana!

***Sub: Misuse of Power - Corruption - Nepotism in
Telangana State Road Transport Department, under the
aegis of Jaipal Reddy (PA to Hon'ble CM).reg***

We the employees of Telangana State Road Transport Department are working under fear and traumatic state since the formation of Congress Government in Telangana.

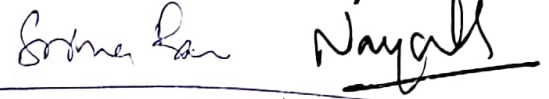

In November 2018, Sri Revanth Reddy garu became the Chief Minister of Telangana State, he has appointed his relative Mr Jaipal Reddy as Personal Assistant in Chief Minister Office. Originally Mr Jaipal Reddy belongs to our department he is just a "***Transport Constable***".

Since the Mr Jaipal Reddy is controlling the department and he emerged as defacto Minister of Road Transport Department (RTA). He has set an unethical target to all officers working at RTA check posts & RTA offices.

Madam we are highly hopeful that you will examine this issue at your level and instruct Chief Minister to act according to Raj Dharma.

Thanking you,
